

Fee Guide

The following information outlines the schedule of fees for services at Inner West Paediatrics (IWP). This Fee Guide is current from 1st July 2026. These are in line with current therapy and support work rates set out by the NDIS (www.ndis.gov.au/providers/pricing-arrangements) and are subject to change.

Please note, Inner West Paediatrics is a NDIS registered provider. Therefore, we can provide services to children and families whose plans are NDIA Managed, Plan Managed or Self-Managed.

Cancellation Policy

Therapy Services

To avoid a cancellation charge, participants must provide **at least two (2) clear business days' notice if they wish to cancel or reschedule a therapy service.**

To ensure your child or young person achieves their goals and so that IWP can maintain the highest possible standards of service delivery, we have a strict and consistent appointment cancellation policy. This related to cancellations and short notice changes to appointments. A cancellation is considered short notice when:

- A client or family **does not show** or is not present within a reasonable time
- A planned offsite session does not go ahead because the **client was not present** at the agreed time/place
- **Less than 2 business days' notice is provided**

Cancellation fees apply unless an alternative support is provided during the scheduled time. This may include telehealth, parent sessions or indirect support completed in the scheduled time slot. Our preference as an organisation is that short notice changes/cancellations are used to support continuity of care where possible with other services as described above.

Cancellation fees are required to be paid before the next scheduled service.

Frequent cancellations (e.g. 2 out of 8) may result in suspended or cancelled treatment blocks.

IWP is committed to delivering supports and there are no charges incurred for appointments cancelled by IWP. When a therapist is unwell or a service needs to be rescheduled or changed, we will notify you as soon as possible and will work with you to find a suitable alternative, including seeing another suitably qualified therapist or rescheduling the session.

A courtesy appointment reminder is sent 24 hours before your appointment to support families to remember/attend pre-booked appointments.

Support Work Services

To avoid a cancellation charge, participants must provide **at least seven (7) clear calendar days' notice if they wish to cancel or reschedule a Disability Support Worker service.** Where less than seven (7) calendar days' notice is provided, the scheduled support may be charged in accordance with the NDIS Pricing Arrangements and Price Limits and the terms of this Service Agreement.

Payment Terms

For fee-paying, self-managed and agency-managed clients, payments is due/will be processed on the day.

Invoices to plan managers are due within 7 days.
